Summary

I am a self-taught 3D designer with an educational background in Architecture. I also have up-to-date experience using 3D design software, such as Adobe Creative Suite and Blender 3D.

Experience

Unemployed

DECEMBER 2021 – PRESENT

Learned new skills and tried my hand at entrepreneurship.

Roche Bobois / 3d Designer

AUGUST 2021 – DECEMBER 2021, PORTLAND, OR

Worked collaboratively with Sales Team to create cohesive interior designs.

- Led 3d design of clients' home environment.
- Maintained product labels and samples.

Unemployed

DECEMBER 2019 – AUGUST 2021

Learned Adobe Illustrator through online courses.

Big Branch Woodworking / Cabinetry Drafter

OCTOBER 2018 – DECEMBER 2019, PORTLAND, OR

Managed multiple projects simultaneously.

- Led kitchen remodels ranging from 15k to 30k in revenue.
- Discussed design concepts with clients.
- Drafted cabinetry on computer using cabinet vision.

Adidas / Warehouse Associate

AUGUST 2018 – OCTOBER 2018, PORTLAND, OR

Provided retail space with back-of-house support, while maintaining an organized warehouse for ease of use.

Education

Portland State University / Architecture
SEPTEMBER 2016 – JUNE 2017, PORTLAND, OR

- Completed 1st Year of Master's Program

Portland State University / Architecture
SEPTEMBER 2012 – JUNE 2016, PORTLAND, OR

- Bachelor of Arts in Architecture
 - Minor in Sustainability
-

Skills

3D Design/Rendering – Blender 3D

Environment Design – Blender 3D

Product Design – Blender 3D

3D Asset Creation – Blender 3D

2D Illustration – Adobe Illustrator

Image Editing – Photoshop

Video – Premier Pro

Strengths

Strategic thinker

Cabinet Software often required creative work arounds to achieve desired outcome.

Self – Motivated

Taught myself how to use Blender 3D 2 years ago and still learning new features to this day.

Collaborative

Worked effectively across teams to complete joint assignments in a timely manner.
